Hi Monica

My name is Eric Point. I'm part of the committee organizing the 2023 East Ferris Carnival. The reason I'm contacting you is in regards to the application of the special occasions permit. To apply for the permit I'm required to submit a municipal resolution or letter from a delegated municipal official designating the event as "Municipally significant" to complete the application.

I know that's what we have had in the past.
I'm hoping you could help me with this matter.
If u could email me something that would work would be greatly appreciated.
Regards
Eric Point
