Seconded by:

That the Corporation of the Township of East Ferris supports in principle the concept of the FireUp503 organization as presented at the Council meeting of September 26, 2023 to restore Ontario Northland Railway steam locomotive No. 503 to operating condition and return it to service creating a working heritage rail attraction. The goal of the project being to provide residents and visitors with an opportunity to experience history through steam powered rail travel that is unique to the region and true to our railway history while contributing to the regions' economic & cultural vitality.
