## **Motion to the Municipality of East Ferris**

BECAUSE our local city and town councils, big or small, rural or urban are on the front lines of some of the most pressing challenges facing Canada;

BECAUSE municipal workers are going flat out to deliver the public services that keep us safe during the COVID-19 crisis;

BECAUSE municipal revenues are collapsing and unanticipated costs are soaring;

BECAUSE without financial help, cities and towns will be forced to cut vital local services our families and communities rely upon;

BECAUSE public transportation makes our communities more livable and fights climate change;

“The Municipality of East Ferris calls for the provincial and federal governments to provide emergency operating funds to protect vital local services, including public transportation and emergency services.”
