Re: Support for Nation-Building 2+1 Highway Infrastructure in Northern Ontario

Dear Prime Minister Carney and Premier Ford,

On behalf of the Canadian Trucking Alliance, I am writing to express our strong support for the Federation of Northern Ontario Municipalities' proposal to expand Highways 11 and 17 in Northern Ontario using the **2+1 highway model**.

We believe this initiative aligns with national priorities related to economic resilience, transportation safety, Indigenous engagement, and climate-conscious infrastructure investment. A modern, safe, and efficient highway corridor through Northern Ontario is not only critical for regional development—it is essential for Canada's internal trade, supply chain continuity, and national cohesion.

The 2+1 highway approach offers a cost-effective, scalable, and environmentally responsible solution. We commend the Government of Ontario for launching a pilot segment between North Bay and Temagami, and we urge both levels of government to expand this model through a coordinated, nation-building strategy.

We respectfully encourage your governments to move forward with this project as a priority under the **Building Canada Act** framework.

Sincerely,
