RE: Automated Speed Enforcement Resolution – Town of Newmarket

I am writing to advise you that at the Council meeting held on October 6, 2025, the Town of Newmarket Council adopted the following recommendations regarding the above referenced matter:

Whereas Automated Speed Enforcement (ASE) is by far the most effective speed mitigation and safety tool that municipalities have had access to; and,

Whereas The Ontario Safety League has expressed that ASE is effective and that it supports the use of ASE; and,

Whereas The Ontario Association Chiefs of Police has expressed that ASE is effective and that it supports the use of ASE; and,

Whereas The Hospital for Sick Children and Toronto Metropolitan University have studied ASE and found that speed is the single most important factor in pedestrian injury risk and ASE can be an effective way to reduce that risk, especially in areas where children are most vulnerable; and,

Whereas The Canadian Automobile Association (CAA) found that 73 percent of Ontario drivers slow down when nearing an ASE camera and 52 percent shared that they are unlikely to speed up after they pass through an ASE zone; and,

Whereas ASE frees up more time for police officers to attend to serious crimes, such as home invasions and auto theft; and,

Whereas One of the top complaints that Council has received from residents for decades is speeding on residential streets; and,

Whereas Since implementing ASE, Newmarket has observed between 58 percent and 90 percent reductions in the number of vehicles exceeding the speed limit in the community safety zones with automated speed enforcement; and,

Whereas the Town's ASE program has recorded speeds of 125 km/hr, 113 km/h, and 96 km/h in school zones with speed limits of 40 km/h.

Therefore, be it resolved:

1. That the Council of the Town of Newmarket opposes the Ontario Government's proposal to cancel municipal ASE programs; and,
2. That the Council of the Town of Newmarket requests the Premier of Ontario or Minister of Transportation meet with municipal leaders to develop provincial legislation, regulations and standards to ensure municipal ASE programs are fair, transparent and consistent throughout Ontario as opposed to eliminating the programs; and,
3. That the Council of the Town of Newmarket requests that the Ontario Government consider the following amendments to address Provincial concerns:
 - Only implement ASE in school zones; and,
 - Establish a province-wide minimum threshold over the speed limit at which tickets are issued; and,
 - Require extensive communication campaigns warning drivers that ASE cameras will be implemented, including warning tickets, well ahead of activating the cameras, and install permanent flashing signs at the camera locations; and,
 - Establish a maximum fine amount for ASE, and,
 - Establish a maximum number of cameras per municipality, and,
4. That copies of this motion be distributed to the following:
 - Premier Doug Ford; and,
 - Hon. Prabmeet Singh Sarkaria, Minister of Transportation; and,
 - Hon. Michael S. Kerzner, Solicitor General; and,
 - Dawn Gallagher Murphy, MPP, Newmarket -- Aurora; and,
 - All Ontario Municipalities; and,
 - The Association of Municipalities of Ontario.
