**Subject: Resignation from the Parks and Recreation Committee**

**Dear: Greg Kirton, Director of Community Services**

**Please accept this letter as formal** notification of my immediate resignation from the Parks and Recreation Committee.

Due to my current professional and personal commitments, I find that I am no longer able to dedicate the time and energy necessary to serve effectively. It has been a pleasure to contribute to the committee's efforts, and I wish you and the team continued success in your work.

Thank you for the opportunity to serve the community in this capacity.

Sincerely,

Donna St.Martin
