### **3. Planning Review**

#### **A. Provincial Planning Statement**

The Provincial Planning Statement, (PPS 2024) was issued under Section 3 of the Planning Act, and came into effect October 20<sup>th</sup>, 2024. The Policy requires that decisions affecting planning matters “shall be consistent with” policy statements issued under said Act. The applicant’s proposal for a lot addition for one new rural lot is consistent with the PPS 2024.

#### **B. Growth Plan for Northern Ontario**

The Growth Plan for Northern Ontario 2011 was issued under the Places to Grow Act, which ensures a long term vision for strong communities while implementing policies directed at economic prosperity. The proposal is in conformity with the Growth Plan for Northern Ontario 2011.

#### **C. Official Plan & Zoning By-law**

The subject property is designated Rural in the Municipality of East Ferris Official Plan and zoned Rural by Zoning By-law 2021-60. The minimum lot frontage required by both the official plan and zoning by-law is 60m and the minimum lot area required by both documents is 0.8ha. The applicants proposal meets the minimum requirements in both cases. Further, the proposed lot is consistent with the lot pattern in the immediate area along Lavigne Road.

Staff have received comments from the North Bay-Mattawa Conservation Authority regarding septic system installation and have noted that the proposed severed lands have two suitable locations for the installation of a standard septic system.

Planning staff has reviewed the official plan policies surrounding consents as well as all other relevant policies and are of the opinion that the applicant’s proposal is in conformity with the official plan.
