I am requesting the Pride Flag to be flown on June 1, 2024 because;

1. I have had people of East Ferris ask for the Pride Flag to be flown
2. We have lots of flag poles unlike Powassan.
3. I think East should support Inclusion, Equity and Diversity.
4. The staff celebrate Pride Month and I think council should support the staff.
5. The Library post a LGBTQ symbol in the window to show they are a safe place. As a Library Board member, I am being consistent with all my commitments.
6. Likes on the Municipality of East Ferris Facebook page for 2023. I treated each post individually. The Trade show post had the most posts and between 6 to 41 likes on each post so it was popular. I checked the Facebook page post for the Staff Pride appreciation (wearing T-shirts) and the June 1 post of East Ferris Pride Symbol. I liked each post twice and I also took out organization I thought were not in East Ferris. I did not do this for any of the other post. This is not scientific and a quick look over the Municipal Facebook page - and yet, shows what people support in East Ferris.
(PS - There was no Remembrance Day posting in 2023 that I could find - and that is usually popular).
